

Do not change the WI NO Call Law!

The law is the law-telemarketers do not pay for my telephone services, so I should be able to have the calls I want, not when you want to call me.

Telemarketers using my phone services is theft-can you drive my car without my permission-NO way-so use of my telephone should be the same!!!

Banks-if I am a former customer-there is a reason for it! And you harassing me for 18 months will not make me want to be a customer again. It serves for only revenge on your part!

To the FCC-see comment above to the banks!

Don't change the WI Law! Millions of consumers believe so, just look at our list!!!
